Description:	<p>Appliqué in reverse is a technique that will add dimension and depth to your appliqué projects. In this class you will easily perfect this topsy turvy technique with Teri Tope's clear and methodical instructions.</p> <p>From tracing your design to auditioning fabric choices, Teri will give you easy tips and tricks sure to make this one of your favorite techniques. You'll learn how to make inside and outside points as well as skinny stems and gentle curves. Circles? They happen to be her favorite. Discover how to begin and end so the stitching doesn't pull out or show through. Expect one-on-one attention and demos for multiple ways you will be able to use this technique. Class includes three pattern options to choose from and the classroom will be full of her wonderful samples.</p>
