Class Requirements:

- Pattern (Retail \$12) – Wind Drifter by Robin Pickens Quilt Patterns, www.RobinPickens.com
- Fabric requirements on page 2
- Pre-cutting of fabrics before class; see page 2 (please read note on pre-class cutting instructions – be generous when cutting for your half square triangles)

Class Supplies:

- Sewing Machine and basic sewing supplies
- quarter inch foot (if you have one)
- open toe or regular sewing foot
- rotary cutter
- mat
- long ruler
- small square ruler (3 1/2" or larger)
- 8 1/2" square ruler if you have one
- fabric marking pencil
- pressing tools
- if you have a tool or ruler for trimming half square triangles, this will be a good opportunity to use it.

Please see next page for Fabric Requirements and Pre-Class Instructions.

Fabric Requirements:

Large 65" x 65"	3 yds for background	17 Fat Eighths (9"x21") or nine 1/4 yd cuts by width of fabric
Small 32" x 32"	1 yd for background	9 Fat Eighths (9"x 21") if purchasing yardage, one-eighth yd cuts will be too tight for some of the cutting – purchase at least 1/6 yd cuts

This quilt requires a variety of fabrics in two colors. Choose some fun prints in large scale, medium scale and small prints. You may elect to bring some of your scraps for even more variety.

Pre-class cutting instructions:

See pattern instructions for pre-class cutting- be sure to cut for your size quilt (large or small) – to make life easier, **cut ALL SQUARES 1/2 inch larger than called for in the pattern.** These will be used for half-square triangle blocks and will be much easier to trim to size with a little extra wiggle room. Other pieces need to be cut to exact size listed. Cut largest pieces first.
