

Class Supply List 209 Lucy Mary Ann Webb

Class:	209 Lucy
Level:	Level 2 – Students should be aware of and have worked on projects using techniques listed in level 1 description.
Type:	Machine Piecing
Instructor:	Mary Ann Webb
Contact:	mawebbrs@yahoo.com
Description:	Lucy is a fun quilt by GE Designs. It is made using 10" squares, therefore it is perfect for using your favorite layer cake. The construction looks difficult, but as with all GE patterns, it is surprisingly easy to piece. The pattern is versatile in that it offers 4 different layouts, all of which look completely different from each other. I had a lot of fun putting this quilt together, and I'm sure you will too!

Class Requirements:

- Lucy Pattern by GE Designs (Retail \$10.00)
- *** The pattern suggests using the Stripology Squared Ruler. This ruler is a bit expensive and is **not required** for this class. The pattern also gives instructions for using "regular" rulers, and I will be teaching the class using both methods***

Class Supplies:

- Sewing Machine in good working order.
- Please bring whatever foot allows you to sew an accurate 1/4" seam.
- Don't forget the power cord and foot pedal. It can also be helpful to bring along the User Manual
- Rotary cutter, mat, and large ruler.
- 8" (or larger) square ruler
- Thread – a color that will blend well with your fabrics. I like to use light gray.
- Basic Sewing Supplies (ie. Scissors, pins, seam ripper)

Quilt Camp at Cedar Lakes

October 6-11, 2024

Fabric Requirements:

It is my suggestion that for the class you make the Lap-sized quilt. If you desire to make a larger or smaller version, please see the pattern for fabric requirements.

- 40 – 10" Colored squares. A layer cake would work wonderfully as they usually have 40 squares, and the fabrics coordinate with one another.
- 3 yards of background fabric.
- Binding and Backing fabric are not required for class, but you may want to purchase it ahead of time. Please see the pattern for requirements.

Pre-class cutting instructions:

- Background fabric – cut into 40 – 10" squares.
