

**Class Supply List
203 Featherweight Spa Day
Rita Fishel**

Class:	203 Featherweight Spa Day
Level:	Level 1 – Teaches basic use of a sewing machine, ironing/pressing, rotary tools as well as proper thread tension, stitch size, and seam allowance consistency, appropriate for true beginners.
Type:	Machine Maintenance and Piecing
Instructor:	Rita Fishel
Contact:	sewclevr@gmail.com
Description:	Day 1 will be clean, oil, adjust, polish your little gem, then we can play with various feet and learn how to free motion quilt on your little (clean and shiny!) cutie! Day 2 we'll make a small table topper complete with machine quilting and binding; Autumn Braid Tablerunner. This is a quick and timely project that we can make on our Featherweight machines. If you have a low-shank (generic) walking foot for your Featherweight, (or you can use one from another of your low shank machines), it will be a big help as we quilt our project.

Class Requirements:

- Pattern available in class for \$10.
- Low-Shank (generic) walking foot.

Class Supplies:

- well-running sewing machine (straight stitch only is fine), gas pedal and power cord.
- Basic sewing supplies.
- 24" ruler.
- Cutting mat.
- Rotary cutter.
- Neutral thread
- 9.5" Ruler would be very handy
