Class Requirements:

- Astrid Quilt Pattern by "GE Designs" (If you have trouble finding the pattern, I can provide it for a cost of \$12. Please let me know prior to the class)

Class Supplies:

- Rotary cutter, mat, and large ruler (at least 18" long)
- XL Stripology Squared ruler by "Creative Grids" – **optional** (the pattern prefers that we use this ruler, although instructions are also given for using regular rulers. I will have a Stripology Squared ruler there if you would like to try it, but **it is not a requirement** for the class. I will be teaching both methods.)
- Large square ruler – at least 12 1/2"
- Sewing machine in good working order, along with power cord and foot pedal
- Presser foot that allows you to sew an accurate 1/4" seam
- User manual for your sewing machine
- Thread – a color that will blend well with your fabrics. I suggest gray.
- Basic sewing supplies (i.e. Scissors, pins, seam ripper, marking pens/pencils, small ruler, extra sewing machine needles, extra rotary cutter blades)

Fabric Requirements:

Yardage is for lap size. If you choose to make a larger quilt, please refer to the pattern for yardage requirements.)

- 16 assorted 2 1/2" by width of fabric strips, or 6 fat quarters
- Background/narrow border fabric – 2 1/2 yds
- Main/wide border fabric – 2 yds. (This is recommended to be something that will tie all of the colors in the strips together.)
- Binding – 2/3 yd
