This is a stash buster class. I will offer the opportunity to swap strips in class if students are interested.

Class Requirements:

- No special book or pattern needed.

Class Supplies:

- Foundation fabric or paper. I will have plenty of paper you can use.
- Sewing Machine in good working order, with instruction book
- Basic Sewing Supplies (thread, needles, pins, snips, scissors, bobbins)
- Rotary Cutter and Mat
- Square ruler 8 ½" to 12 ½" square
- Iron and Heatproof Mat

Fabric Requirements:

- One yard of center fabric strips should be enough for a good size quilt.
- Lots of strips of fabric, 1" – 2 ½" wide, at least 6" long

Pre-class Cutting Instructions:

- If you want to match the center strips, cut strips 1 ½" – 2" wide and about 13" long. For more efficient fabric use, cut 13" x WOF, then subcut to the width you'd like. Cut at least 20 to start.
- Strip Fabric can be cut into strips 1" – 2" wide and 6" to 42" long.
