

## Quilt Camp Star 2023 Block Exchange

Cutting instructions: (HST stands for Half Square Triangles)

- Color #1 White
  - Two 7" Squares (used to make 16 HST's)
  - Four 2½" x 4½" rectangles.
  - Four 2½" squares
- Color #2 should read as a solid but does not have to be a solid
  - Two 7" Squares (used to make 16 HST's)
  - One 4½" square
  - Four 2½" squares

Half square triangle instructions:

- Place a white 7" square on each of your color #2 7" squares, right sides together.
- Draw two lines corner to corner (making an X)
- Sew ¼" on both sides of each line.
- Press.
- Cut each 7" square in half horizontally and vertically, making four 3 ½" squares from each.
- Cut each square on the drawn lines.
- Press to the darker fabric and trim to 2 ½"
- You should now have 16 HST's.

Follow the picture for patch placement, sew into units first, and the finished block should measure 12½" square.

Make one or make many!

Formula for HST's, eight at a time:

- Finished size \_\_\_ x 2 + 2
- Example 2½ x 2 = 5 + 2 = 7
