Class 211 Super Studio Supply List

Bring your UFOs and make progress on those dropped projects! Our studio allots one 6' table per person and will be proctored so you have a chance to get some help when you need it! Bring your unfinished projects or something new you've been wanting to start! The proctors will be available to answer questions or provide any assistance you may need. There will not be any lessons taught however optional breakout sessions may be offered and held at stage side so you won't be interrupted.

Type:	All Techniques
Class Length:	2 days
Rating:	All Levels welcome
Contact Info:	TBD Contact Linda with questions/concerns 330-620-9825
